

EVERYONE COUNTS

2019 POINT IN TIME COUNT & SURVEY • JANUARY 24, 2019

What is the PIT Count?

The Point-In-Time (PIT) Count is a one-day snapshot of homeless populations in our community that captures the number and characteristics of people who are experiencing homelessness.

Why?

Knowing the number and nature of people who are homeless and understanding the trends can help our community better understand the scope of the issue, improve system efficiency, strategically plan for resources and promote effective interventions.
